TYPELINE

"Therefore let all Israel be assured of this: God has made this Jesus, whom you crucified, both Lord and Christ." (Acts 2:36, NIV)

Making Jesus Lord

May 21 through 24, 2007, is a Week of Spiritual Emphasis at the Review and Herald Publishing Association. Employees are invited to the chapel every morning at 7:30 a.m. to worship together, with Pastor John Nixon as our guest speaker. He has planned presentations on the topic "Making Jesus Lord," focusing on Jesus Christ as the center of all of our belief and practice as Seventh-day Adventist Christians. Nixon is senior pastor of the Collegedale SDA Church in Collegedale, Tennessee, and has been there for more than a year. Prior to this appointment he was senior pastor of the Oakwood College Church for nine years. We have invited young people to provide special music each day and we hope you will enjoy this special week.—Partners in Prayer: Washington Johnson, Brenda Page, Bill Kirstein, and Iris Shull, CPS.

In Memory

Chuck Liers passed away on April 13. He retired from the Review years ago, but many will remember him. He started work at R&H in the bindery on August 10, 1941, and worked there until July 31, 1956, when he went to SVA. He returned to R&H as the bindery foreman on April 1, 1971, then became book shipping foreman on October 4, 1982, and retired on January 1, 1984.

Woodrow Atwood, Sr., father to Woody Atwood and Sandra Atwood, passed away on May 1, 2007, in Nashville, Tennessee. Woody Atwood, Sr. had worked at Southern Publishing Association and retired in the area.

Our condolences to the Liers and Atwood families.

The Health Connection Receives Recognition

Candy DeVore and Larry Macomber, of The Health Connection, shared this letter from a company that sells us catalog mailing lists:

"Each year, MCH takes an opportunity to thank our clients for allowing us to provide direct mail services. The MCH Partners in Planting program honors your patronage by planting trees in recognition of the amount of business your company did with us in the preceding year.

"I'm pleased to notify you that 18 trees will be planted in your company's name by the Missouri Department of Conservation Heritage Foundation. These trees join the forest of more than 25,000 trees that have been planted by MCH and its clients over the years.

"I would like to personally thank you for all the business The Health Connection has given us, and I hope you will share the enclosed certificate with your staff and customers."

"Sincerely,

"Peter E. Long, CEO"

Since this is quite a special honor, Larry plans to frame and hang the certificate so all can enjoy it.

Ladies' Strength Training Class

It is a proven fact that strength training will help you lose weight and tone up, because muscle takes up less space than fat. Also, muscle increases the metabolism and uses more calories just to maintain itself. For those who don't fight the battle of the bulge, it can give you nice definition and allover tone! This class would not be to bulk up, but to help maintain the muscle we already have, replace muscle we've lost, and to improve allover fitness and tone. Lifting weights can help your clothes fit better, give you increased energy and stamina, and as a side bonus it can help you lose weight. The class will be held on Mondays and Wednesdays, starting on June 4, 2007, at 5:45 p.m. in the chapel or Executive Dining Room, depending on how many participate. Classes will last from 20 minutes to 1 hour, depending on how many workout sections you choose to do. Please contact Debbie Dailey at ext. 3249 if you are interested in participating in the class.

For sale: full/queen-size bookcase headboard, very nice, like new, perfect condition with no scratches, etc., hunter green and wood combination with two reading lights underneath, \$150; will e-mail photos on request. Call 301-223-7979 any time.

Available: Retired R.N. seeks private-duty case, has worked sitter and critical cases, 25 years' experience, excellent references. If interested, please call 301-593-1084.
